EU Master SAFETY DATA SHEET (2001/58/EC)

PAnumber: PA00158645 Issue date: 10/12/2008 Valid until superseded

	valid until supersede			
5. Fire fighting measures	Not explosive. Not auto-flammable. Not flammable. The product itself will not burn. If anything, packaging may be involved in a fire. Use CO2, dry chemical powders or alcohol resistant foam. If water is used, contain run-off.			
6. Accidental release measures	Avoid spillage into sewers or surface water. For large spills: pump into plastic containers and rework/dispose as per local legislation. For small spills: use non- combustible absorbant and shovel into container for disposal.			
7. Handling and storage	Store in a cool and dry area.			
8. Exposure controls / Personal	Not a hazard in normal use. No personal protective equipment required.			
<u>protection</u>				
9. Physical and chemical properties	Appearance: Odour: pH (10%): Flammable: Explosive: Oxidizing: Relative density (g/cm3): Water solubility:	Dark green liquid perfumed 9.0 NO NO NO 1.028 High		
10. Stability and reactivity	Stable under normal conditions.			
11. Toxicological information		vomiting. If very large quantities are ingested, symptoms of alcohol-like reat symptomatically. Do not induce vomiting. If irritant effects are seen, these ading LD50 (rats) > 2g/kg Slightly irritating to eyes Slightly irritating to skin		
	Chronic toxicity: Contact sensitization:	Repeated exposure to low levels (e.g. residues left on dinnerware) will not cause adverse effects Does not provoke a sensitization reaction		
	Contact sensitization.	Does not provoke a sensitization reaction		
12. Ecological information	The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route. The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment. The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.			
13. <u>Disposal considerations</u>	Consumer products ending up down the drain after use. Observe safe handling precautions and local legislation.			
14. Transport information	Not subject to ADR/IATA/IMDG codes.			
15. <u>Regulatory information</u>	This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws. All substances in the preparation are registered in the EU.			
16. Other information	This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet.
