### SAFETY DATA SHEET (2001/58/EC)

Reference:

Issue:

PANumber: PA00164329

Issue date: 24/11/2009

Valid until superseded

5. <u>Fire fighting measures</u>	Not explosive. Not auto-flammable. Not flammable. The product itself will not burn. If anything, packaging may be involved in a fire. Use CO2, dry chemical powders or alcohol resistant foam. If water is used, contain run off.
6. <u>Accidental release measures</u>	Avoid spillage into sewers or surface water. For large spills: scoop up product mechanically, ideally with vacuum cleaner and rework/dispose as per local legislation. For small spills: product can be washed away with plenty of water.
7. <u>Handling and storage</u>	Assure adequate dust control. Store in a cool and dry area.
8. <u>Exposure controls / Personal protection</u>	Not a hazard in normal use. No personal protective equipment required.
9. <u>Physical and chemical properties</u>	<p>Appearance: White powder with speckles</p> <p>Odour: perfumed</p> <p>pH (1% solution): 10.87</p> <p>Flammable: NO</p> <p>Explosive: NO</p> <p>Oxidizing: NO</p> <p>Relative density (g/l): 613</p> <p>Water solubility: High</p>
10. <u>Stability and reactivity</u>	Stable under normal conditions.
11. <u>Toxicological information</u>	<p>Not acutely toxic; may cause vomiting. If very large quantities are ingested, treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended.</p> <p>Estimated acute oral toxicity: LD50 (rats) &gt; 2g/kg</p> <p>Eye irritation: Slightly irritating to eyes</p> <p>Skin irritation: Slightly irritating to skin</p> <p>Chronic toxicity: Repeated exposure to low levels (e.g. on fabrics or diluted in washing water) will not cause adverse effects</p> <p>Contact sensitization: Does not provoke a sensitization reaction</p>
12. <u>Ecological information</u>	<p>The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route.</p> <p>The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.</p> <p>The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.</p>
13. <u>Disposal considerations</u>	Consumer products ending up down the drain after use. Observe safe handling precautions and local legislation.
14. <u>Transport information</u>	Not subject to ADR/IATA/IMDG codes.
15. <u>Regulatory information</u>	<p>This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws.</p> <p>All substances in the preparation are registered in the EU.</p>
16. <u>Other information</u>	This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet.
