

CLEANLINE PROFESSIONAL SUPER FLOOR CLEANER AND MAINTAINER – PRODUCT DATA SUPER CONCENTRATE

DEGREASING DETERGENT

DESCRIPTION

Floor Cleaner and Maintainer – Super Concentrate is a blend of non-ionic surfactant, wax emulsion and perfume. It performs as a dual action neutral cleaner and floor polish. It provides a slip resistant finish when applied either through a high speed floor maintenance machine, or applied by hand using a mop.

USE INSTRUCTIONS

Add 50 ml of Floor Cleaner and Maintainer – Super Concentrate per 10 litres of warm water, apply to the floor either through a mop, or using a high speed floor maintenance machine. When the floor is completely dry, simply burnish to a shine.

Alternatively add 30 ml of Floor Cleaner and Maintainer – Super Concentrate to a 750 ml trigger and spray floor before mopping.

TECHNICAL DATA

Appearance	Pink	Pink opaque liquid
Odour		Perfumed scent
pH (neat at 20°C)		8.5 – 9.5
Storage Temperature Range		+5°C to + 40°C
Shelf Life		Minimum of 2 years under normal conditions

PRODUCT COMPATIBILITY

Compatible with most hard floor coverings, care should be taken on unsealed wood.

BIODEGRADABILITY

The surfactant(s) used in this preparation complies (comply) with the biodegradability criteria as laid down in the European Detergents Regulation No 648/2004. Not expected to Bioaccumulate.

SAFE HANDLING & STORAGE

Keep containers tightly closed. Store in original container

COSHH places a duty on employers to assess and control the risks of using hazardous substances. The Safety Data Sheet provides the relevant information about the product to assist with this assessment.

PACKS

The product is available in the following pack sizes:

4 x 1 Ltr
